## My agreement to the enrolment process

**NB. Parent or Caregiver to sign if you are under 16 years**

**I intend to use this practice** as my regular and ongoing provider of general practice / GP / health care services.

**I understand** that by enrolling with this practice I will be included in the enrolled population of this practice's Primary Health Organisation (WellSouth Primary Health Network), and my name, address and other identification details will be included on the Practice, PHO and National Enrolment Service Registers.

**I understand** that if I visit another health care provider where I am not enrolled I may be charged a higher fee.

**I have been given information** about the benefits and implications of enrolment and the services this practice and PHO provides along with the PHO's name and contact details.

**I have read and I understand** the Use of Health Information Statement. The information I have provided on the Enrolment Form will be used to determine eligibility to receive publicly-funded services. Information may be compared with other government agencies, but only when permitted under the Privacy Act.

**I understand** that the Practice participates in a national survey about people's health care experience and how their overall care is managed. Taking part is voluntary and all responses will be anonymous. I can decline the survey or opt out of the survey by informing the Practice. The survey provides important information that is used to improve health services.

**I agree** to inform the practice of any changes in my contact details and entitlement and/or eligibility to be enrolled.

## Health Information Privacy Statement

I understand the following:

### Access to my health information

I have the right to access (and have corrected) my health information under Rules 6 and 7 of the Health Information Privacy Code 1994.

### Visiting another GP

If I visit another GP who is not my regular doctor, I will be asked for permission to share information from the visit with my regular doctor or practice.

If I am under six years old or have a High User Health Card, or a Community Services Card, and I visit another GP who is not my regular doctor, he/she can make a claim for a subsidy, and the practice I am enrolled in will be informed of the date of that visit. The name of the practice I visited and the reason(s) for the visit will not be disclosed unless I give my consent.

### Patient Enrolment Information

The information I have provided on the Practice Enrolment Form will be:

- held by the practice
- used by the Ministry of Health to give me a National Health Index (NHI) number, or update any changes
- sent to the PHO and Ministry of Health to obtain subsidised funding on my behalf
- used to determine eligibility to receive publicly-funded services. Information may be compared with other government agencies but only when permitted under the Privacy Act.

### Health Information

Members of my health team may:

- add to my health record during any services provided to me and use that information to provide appropriate care
- share relevant health information to other health professionals who are directly involved in my care

### Audit

In the case of financial audits, my health information may be reviewed by an auditor for checking a financial claim made by the practice, but only according to the terms and conditions of section 22G of the Health Act (or any subsequent applicable Act). I may be contacted by the auditor to check that services have been received. If the audit involves checking on health matters, an appropriately qualified health care practitioner will view the health records.

### Health Programmes

Health data relevant to a programme in which I am enrolled (e.g. Breast Screening, Immunisation, Diabetes) may be sent to the PHO or the external health agency managing this programme.

### Other Uses of Health Information

Health information *which will not include my name but may include my National Health Index Identifier (NHI)* may be used by health agencies such as the District Health Board, Ministry of Health or PHO for the following purposes, as long as it is not used or published in a way that can identify me:

- health service planning and reporting
- monitoring service quality, and
- payment.

### Research

My health information may be used for health research, but only if this has been approved by an Ethics Committee and will not be used or published in a way that can identify me.

Except as listed above, I understand that details about my health status or the services I have received will remain confidential within the medical practice unless I give specific consent for this information to be communicated.
